SCULPT IT'S AS IF
WE WEREN'T SUPPOSED TO
OWN THE WHOLE WORLD!

OH DEAR!

MEANLY CONSIDER THE FOLLOWING AND NOTHING MORE WE ARE NOT PREDICTING THE FUTURE, BUT POINTING OUT CONSIDERABLE
Ah the end of the world. the total destruction of mankind, and civilization as we know it. a tragedy? Pardon my French, but hardly, merely a regenerative step of a planet that is always one step ahead of us, despite what we may believe.

So how will it happen? Because yes, it is a matter of "how", and not merely "if", (that is if you believe in prophecy, or the even broader idea that we are living out a story already told, that will be told again countless times).

Especially if you look back and realize that this isn't the first time that our culture has been swept from the earth to make way for a new generation, hopefully void of all the errors of the last.

"This isn't the first time?" you say. Well, the obvious rebuttal to that would be Noah's Ark, and mind you, i am not Christian or Catholic, i am merely stating that despite your religion, The Bible contains factual events, that have been verified through "archeological meteorologists" if you will. The story of Noah's Ark occured, now, not in the fairy tale manner that we all know, with two of every animal, that was merely symbolism to represent the fact that every animal was accounted for, and that both male and female were considered, as to continue their existence, yadda yadda yadda. But this next armageddon will issue in the FIFTH mankind, according to prophecy. this will be the fourth time that we have screwed up and have to start over. "Screwed up?" you say, and to that i won't even dignify an answer, instead i will tell you to put this xine down and plan for your own demise because if you don't realize it's coming, you will not be one of those who is saved. and yes, people will be saved, just as Noah was.

By the way, 5766 is upon us, Happy New Year
So anyway, we're all going to die, it's inevitable, there's nothing we can do, we fucked up and it's far too late to go back. with this sort of understanding, what can possibly be accomplished before the end? well, the same thing that all previous humanities have apparently attempted to do before their demise (when they were aware of it) is attempt to pass on some sort of message to the next people so that they won't make the same mistakes. How do you pass on a message to future generations, when you have no idea how long it will be until discovery, and you have no way of predicting the level of intellect those future generations will exhibit? Well first off, you carve your message in stone. we have carved NOTHING in stone of significance, which will be our greatest downfall, and will doom the next cycle to repeat our own, if anything, they will look back on fucking Mt.Rushmore - way to go humanity! But all over the world we have ancient stone structures that can stand the test of time. we must learn from this now. also, we must present our message in a way that anyone with intellect can understand. imagine writing something that an Asian can pick up as easily as an American. we must bridge the gap of language with our message, and we must begin constructing it now.

And we mustn't "dumb it down", if you will, it must be strict and precise, for the advantage of our generation is that we know what metallic birds and concrete towers are. It's about time to use what little we have. Nostradamus, the Revelations, the Hopi People, Zechariah Sitchin, Red Elk, and countless others predict the end will be very soon, and hopefully, within the pages of this issue, something will strike a chord, and we will scare you just a little bit.

And I reached out my hand and touched the book. And behold, the cover lifted, And my hands touched the golden pages, And my eyes beheld the mystery of the seven seals. And I saw, and beheld the Angel of the Air, And between her lips flowed the breath of life, And she knelt over the earth And gave to man the winds of wisdom, And man breathed in. And when he breathed out, the sky darkened. And the sweet air became fetid, And clouds of evil smoke hung low over all the earth. And I turned my face away in shame. And I saw and beheld the Angel of the Sun. And between her lips flowed the light of life, And she knelt over the earth And gave to man the Fires of Power, And the strength of the Sun entered the heart of man, And he took the power, and made with it a false sun, And he spread the fires of destruction, Burning the forests, Laying waste the green valleys, leaving only charred bones of his brothers.

And I turned away in shame.

The first angel sounded, And there followed hail and fire mixed with blood, And they were cast upon the earth. The second angel sounded, And a great mountain burning with fire Was cast into the sea And blood rose from the earth as a vapor.

The fourth angel sounded, And there rose a great earthquake; And the sun became as black as sackcloth of hair, And the moon became as blood. And the fifth angel sounded. And the stars of heaven fell onto the earth Like fig from a fig tree Shaken by a mighty wind. And the sixth angel sounded And the heaven departed as a scroll when rolled together.

And over the whole earth there was not one tree, Nor one flower, nor one blade of grass. And I stood on the earth, And my feet sank into the soil, soft and thick with blood, Stretching as far as the eye could reach. And all over the earth was silence. But in the days of the voice of the seventh angel, When he shall begin to sound, The mystery of God should be revealed to those who shall eat from the Tree of Life Which stand forever in the Eternal Sea.

And from the mouth of this beast there poured armies of men, Brandishing swords and fighting, one with the other, And they fought with a terrible anger, And they cut off their own limbs and dangled out their own eyes, Until they fell into the pit of slime, Screaming in agony and pain. And I spoke in a loud voice, saying, "Brothers, drop your swords and take hold of my hand. For you the days of buying and selling are over And over too the days of buying and killing. And the merchants of the earth shall weep and mourn Because no man buys their merchandise any more. And as our fingers clasped, I saw

in the distance a great city, And there was a great earthquake, Such as has not since men were on the earth, So mighty an earthquake, and so great. And the great city was divided into three parts. And the cities of the nations fell. And there fell upon men a great hail out of heaven, Every stone about the width of a fathom. And a mighty angel took up a stone like a great millstone, And threw it into the sea, saying, "Thus, with violence, shall the great city be thrown down. And shall be remembered no more at all. And my brothers laid hold of my hand, And they struggled out of the great city. And they were cast upon the sea of sand, And the sea roared and washed their naked bodies with its waves."

And after this, in the sixth week, all those who live in it will be blinded. And the hearts of them all, lacking wisdom, will sink into impiety. And in it, a man will ascend, and at its end, the House of Sovereignty will be burnt with fire. And in it, the whole race of the choicest root will be scattered. And after this, in the seventh week, an apostate generation will arise. And many will be its deeds, but all its deeds will be apostasy. And at its end, the Chosen Righteous, from the Eternal Plant of Righteousness, will be chosen, to whom will be given sevenfold teaching, concerning his whole creation. And when iniquity, and sin, and blasphemy, and wrong, and all kinds of evil deeds increase, and when apostasy, wickedness, and uncleanness increase, a great punishment will come from heaven, upon all these. And the holy Lord will come in anger, and in wrath, to execute judgement on the earth. In those days wrongdoing will be cut off at its roots, and the roots of iniquity, together with deceit, will be destroyed from under heaven. And all the idols of the nations will be given up, their towers will be burnt in fire, and they will remove them from the whole earth. And they will be thrown down into the Judgement of fire, and will be destroyed in anger, and in the severe judgement that is forever. And the righteous will rise from sleep, and wisdom will rise, and will be given to them. And after this, the roots of iniquity will be cut off, and the sword will destroy the sinners. The blasphemers will be cut off in every place, blasphemy will be destroyed by the sword. And after this there will be another week, the eighth, that of righteousness, and a sword will be given to it, so that the Righteous Judgement may be executed on those who do wrong, and the sinners will be handed over, into the hands of the righteous. And at its end, they will acquire houses because of their righteousness, and a house will be built for the Great King in Glory, forever.

"All kings occupying the earth in the Kali Age will be wanting in tranquillity, strong in anger, taking pleasure at all times in lying and dishonesty, inflicting death on women, children, and cows, prone to take the paltry possessions of others, with character that is mostly tamis, rising to power and soon falling. They will be short-lived, ambitious, of little virtue, and greedy. People will follow the customs of others and be adulterated with them; peculiar, undisciplined barbarians will be vigorously supported by rulers.

Because they go on living with perversion, they will be ruined.

"And Sharma becomes very weak in the Kali age, and people commit sin in mind, speech, and actions... Quarrels, plague, fatal diseases, famines, drought, and calamities appear. Testimonies and proofs have no certainty. There is no criterion left when the Kali age settles down. People become poorer in vigor and luster. They are wicked, full of anger, sinful, false, and arrogant. Bad ambitions, bad education, bad dealings, and bad earnings create fear. The whole hatch becomes greedy and untruthful.

Many sardas will become kings, and many heretics will be seen.

"There will arise various sects; sahyasins wearing clothes colored red.

Many profess to have supreme knowledge because, thereby, they will easily earn their livelihood.

In the Kali age, there will be many false religions. India will become desolate by repeated calamities, short lives, and various diseases. Everyone will be miserable owing to the dominance of vice and Tamoguna; people will freely commit abortion.

"Earth will be valued only for her mineral treasures. Money alone will confer nobility. Power will be the sole definition of virtue. Pleasure will be the only reason for marriage.

Lust will be the only reason for womanhood. Falshood will win out in disputes.

Being dry of water will be the only definition of land. Praise worthiness will be measured by accumulated wealth. Impropiety will be considered good conduct, and only feebleness will be the reason for unemployment. Boldness and arrogance will be equivalent to scholarship. Only those without wealth will show honesty. Just a bath will amount to purification, and charity will be the only virtue. Abduction will be marriage. Simply to be well dressed will signify propriety. And any hard-to-reach water will be deemed a pilgrimage site. The pretense of greatness will be the proof of it, and powerful men with many severe faults will rule over all the classes on earth. Oppressed by their excessively greedy rulers, people will hide in valleys between mountains, where they will gather honey, vegetables, roots, fruits, birds, flowers and so forth. Suffering from cold, wind, heat and rain, they will put on clothes made of tree bark and leaves. And no one will live as long as twenty-three years. Thus in the Kali Age humankind will be utterly destroyed."

5766 IS THE DATE INDICATED BY AN ANGEL TO THE PROPHET DANIEL FOR THE "TIME OF DISTRESS SUCH AS HAS NOT HAPPENED FROM THE BEGINNING OF NATIONS" (DANIEL 12.1) THE SAME WORDS USED BY JESUS IN MATTHEW 24:21. DUE TO MODERN COMPUTER TECHNOLOGY, THESE CODES HAVE BECOME FAR EASIER TO DECIPHER, PROVIDING MESSAGES REGARDING THE YEAR 5766, AND THE CHAOS THAT IS PREDICTED TO ENSUE, THE TERM "WORLD WAR" WAS ENCODED WITH THE TERM "IN 5766" FOR THE POSSIBLE YEAR. IN ANOTHER PLACE, THE TERM "ATOMIC HOLOCAUST" WAS ENCODED WITH THE TERM "IN 5766." IN ANOTHER PLACE THE TERM "GREAT EARTHQUAKE" WAS ENCODED WITH THE TERM "IN 5766." IN ANOTHER PLACE, THE TERM "GREAT EARTHQUAKE" WAS ENCODED WITH "JAPAN" AND "IN 5766." AND IN ANOTHER PLACE THE TERM "ECONOMIC COLLAPSE" WAS ENCODED WITH THE TERM "FIRE, EARTHQUAKE STRUCK JAPAN." Walter Russell,
a visionary
artist and scientist,
predicted in his book
Atomic Suicide?
published in 1957
that due to man-made
radioactivity we
would experience
a loss of oxygen in the air
that we breathe.
In a similar way
to the predictions of
Andrei Sakharov
in the 1950's,
Walter Russell's foresight
is now coming
true. Our current
oxygen resources are low.
The percentage
of oxygen in the
air is down to about
19 percent.
(BioTech News 1997)
The expected amount is
21 percent oxygen.
Some experts say
that we may have
originally evolved
in an atmosphere
of 38 percent oxygen.
But now, due to the
loss of forests and
ocean plankton, our
two sources of
oxygen production,
measurements
of oxygen as low
as 12 percent and
15 percent have been made
in heavily industrialized areas.
This oxygen-depleted condition
is a contributing cause
of the generalized
lack of well-being that
many are experiencing.
And it does not look good
for the future.

THERE IS A LILYPOND, VOID OF ALL OTHER PLANT LIFE
BESIDES ONE LILYPAD THAT IS PLACED THERE.
THE LILYPAD REPRODUCES EXPONENTIALLY,
ON DAY TWO THERE ARE TWO LILYPADS IN THE POND,
AND ON DAY THREE, THERE ARE FOUR LILYPADS
IN THE POND, AND ON DAY FIVE, THERE ARE EIGHT
AND SO IT GOES, WITH THE NUMBER OF LILYPADS
DOUBLING EACH DAY, UNTIL ON THE 30TH DAY
THE POND IS FULL, AND CAN NO LONGER SUSTAIN LIFE.
ON WHICH DAY IS THE POND EXACTLY HALF FULL?
THE POND IS HALF FULL ON THE DAY BEFORE THEIR
DEMISE. ON THE 29TH DAY, THEY APPEARED TO HAVE
PLENTY OF SPACE WITHIN WHICH TO CONTINUE TO GROW.

"The earth is like an animal. When an animal's sick, it wiggles and twitches. And just before it dies it shakes even harder, it shakes all over. That's what we call the earthquake and the volcano and the hurricane. Yes, it's already starting to happen. And it'll get worse -- you'll see! The world is wiggling, and twitching and shaking just before it dies!"

"The Fourth World shall end soon, and the Fifth World will begin. This the elders everywhere know. The Signs over many years have been fulfilled, and so few are left. "This is the First Sign. We were told of the coming of the white-skinned men, like Pahana, but not living like Pahana -- men who took the land that was not theirs and who struck their enemies with thunder (Guns). "This is the Second Sign. Our lands will see the coming of spinning wheels filled with voices (Covered wagons). "This is the Third Sign. A strange beast like a buffalo but with great long horns, will overrun the land in large numbers (Longhorn cattle). "This is the Fourth Sign. The land will be crossed by snakes of iron (Railroad tracks). "This is the Fifth Sign. The land shall be criss-crossed by a giant spider's web. (Power and telephone lines). "This is the Sixth Sign. The land shall be criss-crossed with rivers of stone that make pictures in the sun (Concrete roads and their mirage-producing effects). "This is the Seventh Sign. You will hear of the sea turning black, and many living things dying because of it (Oil spills). "This is the Eighth Sign. You will see many youth, who wear their hair long like our people, come and join the tribal nations, to learn our ways and wisdom (Hippies). "And this is the Ninth and Last Sign. You will hear of a dwelling place in the heavens, above the earth, that shall fall with a great crash. It will appear as a blue star. Very soon after this, the ceremonies of the Hopi people will cease. "These are the Signs that great destruction is here. The world shall rock to and fro. The white man will battle people in other lands -- those who possessed the first light of wisdom. There will be many columns of smoke and fire such as the white man has made in the deserts not far from here. Those who stay and live in the places of the Hopi shall be safe. Then there will be much to rebuild. And soon, very soon afterward, Pahana will return. He shall bring with him the dawn of the Fifth World. He shall plant the seeds of his wisdom in our hearts. Even now the seeds are being planted. These shall smooth the way to the Emergence into the Fifth World."

These are the End times and the people must know the truth, share what we have taught you. There can be no more secrets now if we are to survive as a thinking species through these times. "This, must be done because the dream of humanity can only be preserved through the combined efforts of all peoples, and the joining and merging of all cultures into a oneness."

From 1987 until now, we have been in a time when the right arm of the materialistic world is disappearing, slowly but inexorably. We are at the cusp of the era when peace begins, and people live in harmony with Mother Earth. We are no longer in the World of the Fourth Sun, but we are not yet in the World of the Fifth Sun. This is the time in-between, the time of transition. As we pass through transition there is a colossal, global convergence of environmental destruction, social chaos, war, and ongoing Earth changes. All this, was foreseen via the simple, spiral mathematics of the Mayan calendars.

It will change. Everything will change. Mayan Daykeepers view the Dec. 21, 2012 date as a rebirth, the end of the 5125 year long World of the Fourth Sun, and the start of the World of the Fifth Sun. It will be the start of a new era resulting from, and signified by, the solar meridian crossing the galactic equator, and the earth aligning itself with the center of the galaxy.

At sunrise on December 21, 2012, for the first time in 26,000 years the Sun rises to conjunct the intersection of the Milky Way known as the Dark Rift, and the plane of the ecliptic. This cosmic cross is considered to be an embodiment of the Sacred Tree, The Tree of Life a tree remembered in all the world's spiritual traditions. This process is referred to as The Great Cycle.

Adrian Gilbert and Maurice Cotterell, in their book the Mayan Prophecies, say that the end of the Great Cycle is the culmination of a series of long-term sunspot cycles which will flip the sun's magnetic field, causing earthquakes and flooding on earth. Moreover, the changing magnetic field will alter the endocrine production of the pineal gland. Jose Arguelles says in his book The Mayan Factor, the 5125-year Great Cycle marks Earth's passage through a "resonant frequency synchronization beam", this beam will strike the Yucatan Peninsula, as well as a corresponding peninsula on the other side of the globe, creating a tuning-fork effect, which will prepare Earth and humanity for an ascension, or evolutionary leap to the next dimension.

The Great Pyramid of Giza was a prophetic marker and witness to show the 2nd Coming of the Messiah. By adding up the passageways in inches to the King's Chamber, we can determine the Year, starting with the Last Seven Years of Daniel. This culminating in 2011, so that the Lord can RULE in 2012. This being confirmed by both the Mayan Calendar and especially with the entry of Regulus (I co) into the Virgin via the SIGN in His Stars, as well as by Jewish Holy Days Co-relations Until the End

In 1973 Red Elk - a self-described half-breed Native American from both Blackfeet and Shishoni Nations, one of twelve Inner Heyoka, one of the last nine members of the Red Web, official keeper of the tunnels and pyramids and the temporary caretaker of the Flying Red Dragon Drum of the Hopi people, - went on a 69 day fast, taking water, juices, and vitamins. On or about the 49th day Red Elk began to experience a vision about the future. For a little more than an hour each day for 3 days Red Elk saw and experienced a future that he didn't want to see. The East and West coasts of America subside, a huge meteor strikes the Atlantic, unimaginably great earthquakes rip apart the earth as massive volcanic eruptions darken the skies and blacken the land. Nuclear war, drought, disease, starvation, lawlessness and mass murder overtake the American people and the world. The Sun's activity explodes as solar flares, heat, and radiation transform the once green and bountiful Earth into a fiery Hell. But these tribulations pale in comparison to what soon follows as the earth's axis flips and ensuing floods and 300 mile per hour winds savagely destroy buildings, people, ecosystems and entire nations.

Red Elk believes that there is Hope and that we have time to change and prepare... But the first thing we must change is ourselves.

Note to all: I do not represent any Indian nation. I represent only the Inner Heyoka Society. Our orders do not come from man, but from the Creator only. In so doing, many traditional ways are 'stepped on'. If anyone has a complaint, go to the Creator and tell HIM. I will continue to do what I and the others are ordered.

Bend like a green reed
and you'll be safe.

There is a river flowing very fast. It is so swift that there are those who will be afraid. They will try to hold on to the shore. They will feel that they are being torn apart and will suffer greatly. Know that the river has a destination. The Elders say we must let go of the shore, push off into the middle of the river. Keep our eyes open and our heads above the waters. And I say, see who is in there with you and Celebrate! At this time in history we are to take nothing personally, least of all ourselves. For the moment we do our spiritual growth comes to a halt. The time of the lone wolf is over. Gather yourselves together. Banish the word Struggle from your attitude and vocabulary. All that we do now must be done in a sacred manner and in Celebration!
